The screenshot shows the PDFCreator FREE 5.0.3 interface. At the top, the title bar reads "PDFCREATOR FREE 5.0.3". Below it, the "配置文件:" (Configuration File) section has a dropdown menu set to "A3" and an "編輯" (Edit) button. The "文件名稱:" (File Name) section has a text input field containing "2-1_都市計畫法新北市施行細則.pdf". The "目錄:" (Directory) section has a text input field containing "C:\Users\Administrator\Downloads" and a button with three dots. Below these are fields for "標題:" (Title) with "2-1_都市計畫法新北市施行細則", "作者:" (Author) with "Administrator", "主題:" (Subject), and "關鍵字:" (Keywords). At the bottom, there is a survey question "Do you enjoy PDFCreator?" with a "YES" button and a "Remove ads" link. The bottom navigation bar contains buttons for "取消" (Cancel), "合并" (Merge), "E-mail", and "保存" (Save), with the "保存" button highlighted. The footer shows "© pdfforge".
